

## Introducing Gravel Unravel Series Points!

Every race awards Series Points to each finisher in all distances and categories. Score enough points and you will be crowned Series Champion!

In order to be eligible for season ending prizes, you must participate in 2 of the 3 races *in the same distance AND category*. If you participate in all 3 races (in the points series), you will receive a series bonus of 15 points. Your cumulative series points will be awarded based on your placing in the distance category registered and raced (see scoring guide below) in addition to the series bonus if earned. Each participant is allotted ONE “free” transfer from distance OR category. Additional transfers will come at the cost of 15 points. You may not place in the series in more than one category. Ties will be determined by the person who has placed the highest when competing at the same event. Each participant who starts a race will automatically receive one point.

The Top Ten finishers of the race prior will receive a Call-Up for the start of the following race.

## Introducing: RACE LEADERS!

That’s right, if you win, then you will have a target on your back \*literally\* as the previous race champion will have the privilege of sporting the Race Leader jersey at the following race! Want to keep wearing it? You better get first!

Race Leaders will only be awarded to the Long Distance categories Open and Open Women.

Series ending awards will be presented at the final race. If you are not present to accept your award, it will be your responsibility to make arrangements to receive your award.
